Dear Brothers and Sisters from LHOP,

Love and greetings from Poland! It is just hard to believe that we are almost at the end of July. It has been so busy but we have experienced the wonderful power of God. Let me share with you what is going on with us and the ministry and what we are planning to do in near weeks.

1. In July 4th we had baptism service as I was baptizing 4 new converts. It was great joy for me to be in the water and pray for those new converts as they were proclaiming Jesus as their Savior and Lord. Let me tell you one testimony of a couple that were baptized. As we started the ministry in our city Gryfów over 20 years ago, there was nobody saved. In the beginning God saved a few ladies and one of them was a mother of the husband of this couple. At that time they were teenagers and we spent a lot of time with them, but they decided to live in their own way. For many years their lives were going down and their marriage was on the way to divorce. Over 6 months ago they came to us and asked for help. God in a wonderful way touched their lives and put a new love towards one another. Then a few months ago, they came to me and said that they wanted to be baptized. It is so wonderful as I was preparing them and others in the Word, how they were growing and consuming the Word and promises that God gave them. Their marriage is restored and soon we will start to have a home group in their home. What a wonderful Lord we serve who changes people's lives. Then we gave to each one of them a Bible as a gift. We pray that we can have another baptism service this year as new people are coming to the Lord.
2. As the **Ministry of Mercy** we have started is growing, we thank the Lord that we can show the LOVE of Jesus in giving food and bread to more and more people. Everyday people are standing at the church door for over 1 hour just waiting for bread. We continue to give food to poor people, families and children as the Lord gives us a grace in this ministry. It has been such a great blessing to so many people. We help them as we can and God is so good. As summer has started we sent some youth to the youth Camp on other side of Poland, and they have done some dramas and shared testimonies. One new girl gave her life to Jesus. PTL. Next month we will send children to Children Camp. We never know what God can do in their hearts, but every year they come back with a wonderful experience with Jesus. These Camps are always a great blessing to children and youth, and we thank all of those who are helping us to do it. If you want to help send these children in August, we will be blessed. To sponsor a child it cost \$ 165 to cover the cost of the Camp for 10 days and transportation. Everything what we do we do for the Lord.
3. June 1-12 we had a team from Midland, TX - Pastor Ken Redmon and the worship team. Let me tell you how great a blessing they were to us and other churches as we visited. We organized a seminar for couples for 2 days, and a Leadership Conference for Pastors and leaders at the Center. We all were blessed, but even more, we have experienced a wonderful move of HIS GLORY in our lives. Pastors and leaders left our Center so encouraged and touched by God's power, ready to pass this anointing into their congregation. During the last session, as Pastor was praying for other pastors, the power of God was so strong that all of us were touched by HIS FIRE. We thank God for such a wonderful ministry.
4. This week we are going to have evangelization in 2 cities - Gryfów and Olszyna and it will be on the streets. We pray that the Lord will move in power and manifestation. We will pray for sick people and believe the Lord will heal them. We pray for new souls to be added into God's Kingdom. I will send a report after those outreaches.
5. We still are working on our New Building at the Center and you can go on line and see update what we are doing www.ccmk.pl/en.

Thank you again so much for your prayers and all kind of support. This is a great blessing to us. Because of your prayers and support we are more effective for the Lord and His Kingdom. We always love to hear from you. Included in this e-mail will be some pictures from Seminar to Couples and leadership conference.

May the Lord bless you and give you strength and wisdom.

Love from Poland

Marek and Marysia
